and Petworth to Battle at 5 o'Clock.

By C. W. SWAN.

Double-headers will be in order to-morrow in the post-sesson series, two bargain matiness beins scheduled, one in each section of the series. In Section A the Hankers and Interior will hook up at 2:30 clock at American League Park, while immediately after this battle Petworth will battle the Trintiy aggregation. Shorty Hugges and Bill Handibos have been nominated to landie these contests. Central League Park will furnish the

handle these contests.

Central Lesgue Park will furnish the fans of the downtown section who are imable to witness the contests at the big park a good airraction. Ninth and Sherwood will cross bats, this struggle starting prumptly at 2 o'clock, while the second number of the afternoon will be between Ninth and Immanuel. Pritz Jassekike and Capt. Jenkins will handle this double bill.

Petworth and Interior will play this afternoon in Section A. the contest taking place at American League Park. This should be a grand old battle, as the Red Men are anxious to maintain their biold to the top rung, and the Federal Leaguers want to break into the won column. Manager Stewart will send Kidwell to the hill, while either Fiannery or Doily Gray will draw the hurling assignment from the Interior leader. This game will start promptly at 5 o'clock. The price of admission will be 25 cents.

Sherwood and Immanuci clash in Section B at Central League Park. Sherwood will more than likely hang a beating on the Northwest outfit, and then will come strong against Ninth temorrow.

While Trinity was beaten by the Bank-ers yesterday, the Marquette Leaguers failed to quit at any time. Manager Parquhar's boys are liable to upset the dope, at that, during this series, as Jones is canable of finging a classy ball game with good support. A couple of weak spots in the infield need plug-sing up, but as a whole the team com-pares well with other clubs in the weaker amateur leagues.

The catching of Red Fearson yesterday

white. He was hitting yesterday.

Both the Clarendon and Ballston clubs, who are to battle for the independent championship of Virginia at Vigilant lark next Sunday, will bring over a big crowd of rooters. This game should prove to be one of the hardest fought sames ever seen in local baseball circles, and as the winner meets the Vigilants for the District title, a mattle royal is believed for. Littly Berts and Joe Handboe will umplies the games, the first one starting at 215 o'clock.

President C. C. Love, of the East Weshington Sunday School League, and last night that if it is agreeable of President Young, of the Amateur survication, all the games in the post-resson series scheduled for Thirteenth and D Streets Northeast will be played v. Vigiliant Park, as the field is inclosed, and the spectators would not ome on the field. Here, on our own letd, it is hard to keep the fans back, and the interferse with the game, and President Love.

It is understood that Mr. Young has 10 objection to the playing of the sames at Vigiliant Park, so the fans an isourney toward Pitreetth and Pitreets for the remaining games wooked for Thirteenth and D Streets.

FANS PLEASED WITH

NEWS OF COBB DEAL

The news that Manager Griffith has offered President Navin, of the Tigers, 1800,000 for his ball club, or in other words "Ty" Cobb, the Georgia Peach, as announced in these columns yesterday, struck the fantics of this city broadside, head-on, and backward, like hombahell in the night.

For the most part, every one thought that the news about do taken with a grain of salt, as such a stupendous deal has never yet occurred in the annual of baseball, but definite indorsement, coming from Griffith himself, point a quietus on such thoughts.

With Ty in our outbeld. Emokeball Walter, Joe Boehling, and Emgle delivering, and with such prospects as Hedgspeth and "Doc" Ayres as runners up, we would, as an old fan put it yesgrday, just blow through the league, copping curything in sight.

While the booslers are wild with joy at the prospects of annexing the Tiger demon, the calamity howlers are mak-

The life story of Lyman H. How and the milions of dollars he has mad and the millors of dollars he has made out of motion pictures. Starting when he was "broke" with a "big idea. Jots of enthusiasm, and "get-too-li-tweness." reads like a romance, and yet it but proves that opportunities are all about us if we but grasp them. The Lyman H.
